DETAILED ACTION

Priority

1. The applicant claimed a foreign priority based on the Japanese application #2001-55510 on the oath. The applicant misplaced the copy of Japanese application #2001-55510 to other US application (10/087,172). According from the other examiner's Supplemental Notice of Allowability mailed from 10/27/04, states "the certified copies of Japanese Application No's 2001-55510 and 2002-46420 expunged from this application and moved to 10/085,540". However, the certified copies of Japanese Application No's 2001-55510 **have not been** placed in the application (10/085,540) after it was removed from the application (10/087,172). It is noted, that applicant **should** resubmit a certified copy of Japanese Application No's 2001-55510 and 2002-46420 as required by 35 U.S.C. 119(b).
